**1420 Hover St. Apt. #1, Longmont, Colorado 80501**

### **Professional Summary:**

Experienced professional with a strong background in manufacturing, customer service, and chemical operations. Skilled in equipment operation, order fulfillment, and team collaboration. Known for meticulous attention to detail and commitment to safety. Certified in forklift operation, food safety, and hazardous materials handling. Ready to bring positivity and problem-solving abilities to contribute effectively to any career I pursue.

### **Work Experience:**

#### **Boulder Scientific Company, Chemical Operator (January 2024 - Present)**

- Read and study batch records meticulously, ensuring precision and accuracy in handling and refining dangerous chemicals.
- Work 12-hour shifts, demonstrating stamina and focus in maintaining optimal productivity and safety standards throughout extended work periods.
- Utilize personal protective equipment (PPE) effectively to mitigate risks associated with chemical handling and processing.
- Proficiently navigate and utilize Chempax, the company's inventory software, for efficient management and tracking of chemical inventory and production processes.

#### **ABB INC. (November 2017 - November 2023)**

- Started as a Molder, adeptly transitioned to Material Mover, and subsequently promoted to Material Handler in various departments including M.T.O, D.R.G, and Splice.
- Demonstrated versatility and problem-solving skills while managing multiple roles such as Forklift Driver, Tugger Incoming, and Orders.
- Excelled at maintaining efficiency and accuracy in high-pressure environments, including a stint at a Phoenix, Arizona facility as an Order Picker, ensuring precise order fulfillment.

#### **Executive Management Services, Supervisor (August 2017 - December 2017)**

- Supervised cleaning operations, ensuring meticulous cleanliness of premises including trash disposal, restroom maintenance, and outdoor areas.

#### **Wendy's, Crew Member (July 2015 - December 2017)**

- Provided excellent customer service while maintaining cleanliness and organization within the restaurant.

#### **Hurricane Air & Swabbing, Floor Hand (March 2014 - July 2015)**

- Collaborated within a team to service wells, ensuring their smooth operation and functionality.

#### **Walmart, Inventory Associate (February 2013 - March 2014)**

- Managed overstock inventory placement, facilitating efficient retrieval and storage for future use.
