EXPERIENCE

MAY 2010 - JULY 2014

ORDER SELECTOR, COREMARK, AURORA

Worked in a Warehouse environment, Operating a Forklift/Cherry Picker. Would pick product off of the rack, move it to its new location and move on to the next order.

JAN 2014 - NOV 2016

FEDEX, DENVER

Worked at the Main Hub as a loader and unloader of trucks. I would also sort through packages and have them shipped out to their destination. I also operated a forklift in the warehouse to move product around.

DEC 2016 - JUL 2018

BUILDING SUPPLIES / FORKLIFT OPERATOR, ALLIED ROOFING, DENVER

Worked throughout the warehouse, delivered orders. I would retrieve the roofing materials, fulfill the order, have the shipping department verify the order, then load the product on the company truck to be delivered.

AUG 2018 - JAN 2020

ORDER SELECTOR, UNITED NATURAL FOODS INC., AURORA

Worked throughout the Freezer, Cooler, and Dry selections of the warehouse. Would Drive a pallet jack and move selected foods to their new location. I would also package the food and drop it off to the doc area. I would also stock the product that needed replenishment.
