## Experience

### **Lead welder**

Dynamic Metal Fabrication

July, 2012 —

Overseeing the weld department for quality and timely completion of products. Personally working on projects of high skill level (thin gauge, cosmetic, tight tolerances) osha certification on forklift, current CPR certification, 20 years industry experience.

## Education

### **Simi Valley High School**

Diploma, January, 1997

Also attended simultaneously the Ventura county regional operations program where I learned many facets of welding and fabrication. Graduated with a certificate of proficiency in welding.
