CAREER OBJECTIVE

Quality-oriented professional with 6+ years of experience working in the transportation sector with the US Government. Along with an additional 6+ years working in sales and business analytics. I am anxious to leverage this experience at a company which has a clear path of career and rank progression.

PROFESSIONAL EXPERIENCE

COMMISSIONS AUDITOR — Connect Wireless, Scottsdale, AZ

Collected and analyzed data to detect deficient controls, duplicated effort, extravagance, fraud, or non-compliance with laws, regulations, and management policies. Evaluated analytical methods and procedures to determine how they might be improved. Performed validations or transfers of analytical methods in accordance with applicable policies or guidelines. Prepared detailed reports on audit findings.

TRANSPORTATION SPECIALIST — Aerotek Staffing for Amazon, Tempe, AZ

Analyzed and interpreted data from traffic modeling software, geographic information systems, or associated databases. Developed or tested new methods or models of transportation analysis. Collaborated with other professionals to develop sustainable transportation strategies at the local, regional, or national levels.

SECURITY GUARD — Ag Tac Security, Fort Morgan, CO

Monitored and authorized entrance and departure of employees, visitors, and other persons to guard against theft and maintain security of premises. Called police or fire departments in cases of emergency, such as re or presence of unauthorized persons. Patrolled industrial or commercial premises to prevent and detect signs of intrusion and ensure security of doors, windows, and gates.

ENROLLMENT REPRESENTATIVE — Ashford University, Denver, CO

Counseled students regarding educational issues, such as course and program selection, class scheduling and registration, school adjustment, truancy, study habits, and career planning.

Advised students on issues such as course selection, progress toward graduation, and career decisions. Participate in student recruitment, selection, and admission, making admissions recommendations when required to do so.

ENROLLMENT REPRESENTATIVE — University of Phoenix, Tempe, AZ

Advised students on issues such as course selection, progress toward graduation, and career decisions. Counseled students regarding educational issues, such as course and program selection, class scheduling and registration, school adjustment, truancy, study habits, and career planning. Provided students with information on such topics as college degree programs and admission requirements, financial aid opportunities, trade and technical schools, and apprenticeship programs.

MISSION CONTROL CENTER SPECIALIST - Transportation Security Administration, Denver, CO

Reported facts concerning accidents or emergencies to hospital personnel or law enforcement officials. Developed and implemented training procedures and strategies for radiological protection, detection, and decontamination. Developed and maintained liaisons with municipalities, county departments, and similar entities to facilitate plan development, response effort coordination, and exchanges of personnel and equipment. Kept informed of federal, state, and local regulations affecting emergency plans and ensure that plans adhere to these regulations. Conferred with establishment officials, security departments, police, or postal officials to identify problems, provide information, or receive instructions. Wrote reports or case summaries to document investigations.
