Apollo, PA 15613
bhavens81@gmail.com
7243932794

I am a dependable, goal oriented, hardworking and focused individual looking for long term employment that is both challenging and rewarding.

Work Experience

Forklift Operator

Commercial Employee's, Pittsburgh
January 2016 to Present

I am responsible for pulling and picking product for production. I also unload trucks via skidder and anything else that is necessary throughout the day.

picking team lead

leeds - New Kensington, PA
January 2016 to Present

Picking team lead keeps the warehouse pickers on task managing issues ranging from troubleshooting RF scanners, to picking and forklift issues

pa Storeroom Attendant

Mconway & Torley, Lawrenceville
July 2015 to October 2015

I was responsible for the inventory and distribution of part, equipment, supplies for all other departments in the company.

Receiving Team Lead

Polyconcept North America
2009 to 2015

I was responsible for a crew that unloaded, palletized, wrapped and racked all incoming goods. Worked closely with the inventory group to schedule all incoming ocean containers.
