PROFILE

Manufacturing Operator with 6+ years of combined experience in semiconductor production, automotive service, and retail management. Skilled in mechanical and technical processes, quality assurance, and cross-functional team collaboration. Proven track record of driving operational efficiency, managing inventory at scale, and delivering results under tight tolerances and deadlines.

PROFESSIONAL EXPERIENCE

Manufacturing Operator — Broadcom Ltd. (Manpower), Fort Collins, CO

Nov 2021 – Nov 2024

- Performed mechanical functions in semiconductor device production using wafer fabrication tools and processes, including product testing and delivery to work areas.
- Adhered strictly to documented safety procedures, process specifications, and quality standards to ensure consistent production output.
- Collaborated in a team environment to meet production goals and maintain workflow efficiency.

Customer Service Associate & Manager — AutoZone, Windsor, CO

Dec 2019 – Nov 2021

- Assisted customers with locating automotive components using product expertise and store systems; processed sales, returns, and warranty exchanges.
- Promoted to management role overseeing inventory accuracy, replenishment, product availability, vendor coordination, and commercial accounts.
- Supported store leadership with day-to-day operations and store closing procedures.

Service Technician — Les Schwab Tires, Timnath, CO

Jul 2019 – Nov 2019

- Installed, repaired, rotated, and balanced tires and wheels; recalibrated TPMS systems and tested/installed batteries.
- Operated service vehicles for offsite and emergency road services; conducted vehicle test drives and assisted team members.

Customer Service Associate — Lowe's Home Improvement, Fort Collins, CO

Aug 2018 – Jun 2019

- Responded to customer inquiries, promoted loyalty and protection plans, and processed sales and returns.

CERTIFICATIONS

- Forklift Operation Certification
- OSHA Safety Standards Certification
