Work Experience

Order Selector

PepsiCo - Denver, CO

December 2017 to June 2019

- Drive hi-lift to picking area and build pallet/load according to load sheet or voice pick audio equipment (if applicable)
- Mark load ticket for out of stock items
- Wrap pallet when pallet/load is finished
- Turn in paper work with order for check before loading and have truck checked
- Stage pallet and/or load into truck when ready
- Complete partial pallets and put away mixed pallets
- Maintain proper housekeeping standards in work area

Order Builder

Swire Coca-Cola - Denver, CO

April 2016 to December 2017

Responsible for pulling orders based on voice pick to accurately build orders for loading onto delivery trucks. Repetitively lift, carry, and position product (weighing up to 50 lbs) above shoulder height without assistance. Consistent kneeling, squatting and reaching above the head.

Crane Operator/Puller

R&S Steel - Denver, CO

July 2015 to March 2016

Crane operative to select metal beams, angles and also flats. Had to meet a 8-10 pick count hourly. Used mobile torch cutter to cut material to certain length for customers, and also made sure certain material was put together to be loaded and sent out daily.

Pavement Marking Foreman

Roadsafe Traffic Systems - Denver, CO

May 2012 to June 2015

Zonar inspections on work vehicles before, during and after job travels.
