## Work Experience

---

### **Packaging Machine Operator**

Old Dutch Foods - Roseville, MN

October 2018 to May 2019

Setup 5 machines for start up, program bag size and adjust cut lengths to correct shape. Adjust seam and registration mark to align and seal correctly, trouble shoot issues when error occurs while working independently at times. Produce finish product and quality check every 3 hours or every change over.

Reason for leaving: I resign

### **Extrusion Operator**

Tundra - White Bear Lake, MN

April 2018 to August 2018

Operate extrusion machines, produce wheel weights, do quality control on every first part of your new roll. Use calipers micrometers, scales, & use a coordinate measuring machine to test out the peel and magnet of the wheel weights. Print and do your own production reports, works with raw material & chemical base material.

Reason for leaving: Contract ended.

### **Seasonal Fullfillment Chute Packer**

Target Distribution Center - Woodbury, MN

November 2017 to March 2018

Pick, Pack, Material Handler, and scan products. Move pallets to and back from trucks help out with other departments when finished.

Reason for leaving: Seasonal position

### **Clean Room/Machine Operator**

Donatelle Plastics - New Brighton, MN

January 2016 to November 2016

01/2016 to 11/2016)

Experience in Quality Inspection with the OGP & ISO-9001-2015 system. Use micro scopes, & other measuring tools and calipers daily.

Did final inspection at 100 percent spec, Operate machines.

Reason for leaving: I resign
