Summary

Advanced and capable welder with 2 years of experience welding. Hardworking and eager to learn more about welding. Ready to use my skills and education I have gotten to produce quality welds.

Education

Associates of applied science

Front Range Community College – Fort Collins, Colorado
05/2021

Part of the Presidents honor list and had an accumulative GPA of 4.0.

Experience

Welding Student

Front Range Community College - Fort Collins, Colorado
02/2019 - 05/2021

- Operated hand tools and large machinery daily.
- Read blueprints and fabricated workpieces.
- Measured using a tape measure for no margin of error.
- Certificate for MIG welding, TIG welding, and Stick welding.
- Certificate for Advanced Stick welding.

Journey Leader

Noodles and Company - Fort Collins, Colorado
05/2019 - 07/2020

- Worked in a fast-paced environment while working with other people.
- Trained new co-workers so they were prepared and knowledgeable enough to confidently work.
- When customers complain, I can talk to them and have them satisfied in the end.
- Worked long hours and helped out whenever I had a chance.

Fabrication Helper

Volunteer - Fort Collins, Colorado
03/2020 - 03/2020

- Welded and fabricated a desk following code.
 - Collaborated with the fabricator in detail to ensure we were completing the desk properly.
 - Followed the blueprints and cut pieces of metal to the exact measurements.
-
