Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Cook

Black Sky Brewery - Denver, CO

August 2019 to Present

This is a part time job on the weekends. I work in the kitchen and sometimes as a bar back. I mostly make pizzas but also help the bartender once the kitchen closes.

Food Service Worker

Target - Lakewood, CO

April 2019 to July 2019

My main job duty is to maintain a clean and stocked grocery area inside the store.

Welder/Fabricator

MPB Alumafab Inc. - Denver, CO

October 2014 to January 2019

Responsibilities

Planned and laid out work from sketches, drawings, specifications and work orders.

Cut, ground and deburred frames and profiles.

Tended multiple fabricating machines, including cutoff saws, shears, and forming and spinning machines.

Removed burrs, sharp edges, rust and scale from work pieces to prevent malfunction.

Planned and coordinated tasks and determined correct amount of material required to complete assignments.

Drilled and punched holes in metal for screws, bolts, and rivets quickly and efficiently.

Fabricated and altered parts using shears, hammers, and drills.

Operated hand and power tools and heavy machinery safely.

Inspected individual parts, assemblies and installations for adherence to specifications and building codes.

Education

GED

Community College of Denver - Denver, CO

2013 to 2013

Skills

- Cashier, fast learner, Communication skills, Drill press use, Sheet metal layout, Detail-Oriented, Skilled housekeeper, Safety oriented, Multi-tasking, Takes directions well, Quality focused.
