My name is Zachary Smtih , I am proud father of two children and they give me a lot of motivation to go out and work hard. I am also a proud member of the united States national guard/ army reserve. The national guard has taught me a lot of morals and values throughout my career that I believe can be applied to any job and everyday situations. If I am applying for the job that means I believe that I am more than capable of doing the best job and I believe that I am the man for the job!
