## WORK EXPERIENCE

### **Carpenter/Laborer**

Adelmens flooring - Fargo, ND - June 2014 to August 2015

#### Responsibilities

Sweep and prep floors, lay carpet/carry, glue floors for vinyl lay vinyl, hammer concrete nails, lay down tack strip, pound tack strip.

#### Accomplishments

I felt very accomplished by learning a new trait because I'm so used to cutting lawns.

#### Skills Used

Communication skills lots and lots of energy patience.

### **Landscaper**

PHM - Saint Paul, MN - June 2014 to June 2015

#### Responsibilities

Make sure the maintenance is up to date on the tractors. Sharpen blades load the trucks create a new list weed whip cut grass leaf blow.

#### Accomplishments

I was told i was a very great worker for the company but i was just not making enough money, money was a big problem at that small time company i couldn't even pay my rent let alone my utility bills.

#### Skills Used

Communication patients strength common sense

### **Shifter**

Smith foundry - Minneapolis, MN - January 2014 to December 2014

#### Responsibilities

Make sure all the plates for the metal castings where in place and ready for iron pouring. Picking up weights shifting the castings / carrying 75 pounds castings. Make the molds pound the molds.

#### Accomplishments

I wasn't really good at what I was doing honestly but I really liked it it is something different something more out of ordinary people said I had a very important job at the foundry but who knows they could have just been really nice to me.

#### Skills Used

Lots of communication skills, common sense, patience strength

EDUCATION

**I did not graduate, I'm working on GED in High school**

White Bear ALC - White Bear Lake, MN
