Military Service

Branch: United States Marine Corps

Service Country: United States

Rank: Lance Corporal

March 2019 to April 2021

An intelligence specialist with 2 years of unique military experience, primarily dealing in the operation and management of clearance management systems. Skilled in the usage of various security management systems such as Electronic Questionnaire for investigative purposes , Defense information system for security, and Joint Personnel Adjudication System

Conducted work alongside the Security Manager to have a more refined security program to mitigate security delinquencies throughout the battalion.

Successfully forward deployed into the INDOPACOM Theater and assisted in maintaining the battalion security systems and clearance eligibility

Operated DISS (Defense Information System for Security) To complete multiple CSR (Customer Service Requests) and produce security verification letters for hundreds of Individuals throughout the battalion Operated Electronic Questionnaire for Investigative Purposes (eQIP) to ensure members of the battalion did not lose access to classified material during deployment
