I have 10 years of work experience with various different jobs, primarily labor oriented. I've held a foreman and a manager position. I have box truck, forklift, and tractor driving experience.

Authorized to work in the US for any employer

Work Experience

Manufacturer

Nature's Root - Longmont, CO

May 2022 to Present

- Manufacture various CBD products, taking crude oil and filling different containers for retail
- Shipping manager responsible for the packaging and palletizing of final products
- Operation of labeling machines, oil dispensing machines, as well as different tools required to create the final retail products

Cultivator

Santa Fe Farms - Longmont, CO

April 2020 to May 2022

- Cultivator responsible for the care of hemp plants in greenhouses, indoor facilities, as well as outdoor acreage
- Responsibilities include planting, trimming, watering, refilling nutrient reservoirs, spraying for pests and mold, and general maintenance of growing facilities

Laborer

Barstools etc. - Deer Park, IL

August 2019 to April 2020

- Responsible for assembling furniture, and delivering them to customers' houses with a box truck.

Dock Worker

FedEx Freight

March 2019 to August 2019

- Organize and load freight into semi trailers while operating a forklift as well as hostling semi trailers around the yard.

Cultivator

HGH Seeds - Longmont, CO

October 2017 to January 2019

- Cultivation member responsible for indoor production of feminized seeds. Jobs include pheno-hunting, pollinating, seed separating, and general gardening.

Cultivator and Foreman

LoCo Farms - Longmont, CO

February 2017 to January 2019

- Cultivator and foreman for LoCo Farms, helped manage the planting, watering, and harvesting of over 200 collective acres of outdoor CBD plants as well as several indoor and hoop house facilities. Foreman responsible for managing labor crews.

Window Cleaner

Fish

October 2016 to January 2017

- Window cleaner for residential and commercial facilities, great deal of customer service experience as well as route management.

Field Ecologist

V3

July 2016 to October 2016

- Member of a nature restoration and maintenance company, my responsibilities were to maintain federally protected wetlands as well as transform land into grass prairies and wetlands that enabled a positive ecosystem for native plants to flourish.
- Work load entails the removal of invasive plant species through herbicide application or physical removal, weed whipping, planting trees or plants, as well as laying down blanketing material to stabilize growth on water banks.

Gardener

LoCo Farms - Longmont, CO

November 2013 to April 2016

- Gardener and laborer on a small scale indoor cannabis garden, responsible for all steps of the growing process from clone to jar under direction of the head grower.

Warehouse Associate

Moonlight Slumber LLC

August 2012 to September 2013

- Responsible for unloading raw materials from trucks and loading them with finished products, assembly of mattresses and other bedding products, and general warehouse maintenance.
