## Work Experience

---

### **Drill Superintendent**

New Stream Fiber - Johnstown, CO

March 2024 to May 2024

2024]joined to run their directional drilling operations. Unfortunately, the company lost funding, and drilling was no longer an option, leading to termination.

### **Field Supervisor**

JH's Drilling - Texas

January 2023 to April 2024

Traveled to Texas to oversee 5 crews installing 1 1/4 - 4 inch conduit, including multiples of conduit up to multiple 2 inches. Managed crew operations to ensure efficient and accurate conduit installations. Provided supervision and guidance to ensure adherence to project timelines and quality standards.

### **Supervisor**

Deviney Construction - Mobile, AL

November 2020 to January 2023

Managed a Drill Crew operating underground directional drilling equipment and excavators. Promoted to Directional Drill Supervisor in August 2021. Scheduled drill crews for multiple jobs and coordinated with subcontractors on timetables and permits. Handled scheduling for Traffic Control as needed. Liaised with AT&T level 2 employees in the field. Operated various equipment as needed.

### **Heavy Equipment Operator**

Cooper Marine and Timberlands - Mobile, AL

January 2019 to November 2020

Unloaded large sea-going ships containing scrap metal, limestone, zinc, pig iron, and wood pellets. Operated equipment such as excavators, frontend loaders, and skid steers to move materials around work sites. Worked in a fast-paced environment with strict adherence to timelines. Prioritized safety practices at all times

### **Foreman**

Deviney Construction - Mobile, AL

April 2017 to January 2019

Started as an underground drill operator. Quickly learned to read and comprehend prints and plans. Adhered to work safety and traffic safety protocols in a fast-paced city environment. Promoted to Foreman in June 2018.
