Objective

I am looking for a long-term position where I can utilize my leadership and customer service skills, and have the opportunity for growth and career advancement in a well-established company.

Qualifications

I have extensive customer service experience, problem resolution skills and the ability to perform multiple tasks simultaneously. I possess excellent mechanical abilities, with over 6 years' experience with the following: 4000#/8000# forklifts, gas or electric; stand up cherry picker and electric pallet jack.

Career History

January 2009 - Present: **Senior R.V. Technician**, RIDE THE WEST RV - Denver, CO

- Perform interior and exterior electrical and mechanical repairs to ensure all R.V.'s are in top condition for rentals. Drive 42' Class A- R.V.'s to rental sites. Pick up and deliver of out of state rentals.
- Perform oil changes, fluid checks, dump/flush/sanitization, refill propane, winterize and de-winterize units. Familiarize customers with safe and efficient operation of the rental units

February 2011 - July 2011: **CDL Delivery Driver**, CONTAINER BUYERS - Denver, CO

- Loaded my truck daily with reconditioned or new drum containers and delivered them to clients. Picked up used containers and delivered them to the reconditioning plant. Unloaded semi-trailers and stocked inventory.

June 2008 - November 2008: **RTD Bus Operator**, FIRST TRANSIT - Denver, CO

- Performed pre-trip inspection of an RTD bus to ensure the safety of all passengers. Operated a bus on 11 different routes, safely picking up and dropping off passengers. Returned to bus depot daily and performed post trip inspection of the vehicle.

February 2008 - June 2008 **Utility Locator**, ELM UTILITY LOCATING - Golden, CO

- Responsible for connecting the frequency box to cable, phone, electricity and gas lines. Walked the line with location wand and painted the lines as located. Took pictures and drew sketches of the utilities located, and entered this information into the computer database.

May 2007- January 2008 **Air Freight Delivery Driver**, EXPRESS FREIGHT - Brighton, CO

- Received invoices from dispatch window of product to be loaded and delivered. Routed myself for efficient deliveries and pickups. Loaded 26' box truck with forklift & pallet jack. Performed pre-trip inspection of vehicle, checking tire pressure, belts, hoses, windows, fluids etc.
- Drove to DIA on occasion, to pick up freight arriving via airlines. Drove to Colorado Springs and Pueblo to deliver and pickup items. Completed delivery log for the Department of Transportation. Unloaded trucks of any product picked up that day and turned in paperwork to dispatch. Performed post trip inspection of truck.

February 2004- March 2007 **Shipping & Receiving Manager, Warehouse Foreman**, ENGLEWOOD/ SOUTH DENVER WINNELSON - Sheridan, CO

- Pulled orders, loaded trucks, stocked product, and input all products into database, after hand counting all products. Used Forklift to unload trucks. Processed all returns and credits.
- Started as a driver loading trucks with plumbing supplies, boxes, copper tube, steel pipe etc. Delivered to various construction sites and unloaded items. Utilized full use of forklift and extension boom. In 90 days was promoted to Warehouse Foreman in charge of 3 drivers and 1 warehouse assistant. Pulled orders, routed drivers properly for deliveries and pick-up's. Processed UPS orders, put stock away.

September 1999- January 2004: **Medical Courier**, CUSTOM COURIERS - Denver, CO.

- Delivered X-Rays to various medical facilities. Duties included picking up X-Rays from doctors' offices and delivering them to area hospitals. Took films down, sorted and added transcriptions to X-rays to be delivered back to the doctors' offices. Also obtained any medical billing paperwork and delivered them to the billing office.
