## SUMMARY

15+ years of experience in a warehouse environment. Keeping inventory standards accurate, picking orders with certification on an order picker machine, experience loading and unloading pallets on a forklift machine. Leadership experience heading up a team of 10-15 people.

## WORK EXPERIENCE

**General Warehouse** – Uline Inc., Ontario CA  
December 2013 to August 2018

- Packed orders for UPS shipments, experience picking orders for Freight shipments on an order picker truck.
- Forklift operator.
- Maintained inventory integrity and warehouse organization/cleanliness.

**Sales/Warehouse Supervisor** – Best Buy, Vernon Hills IL  
**November** 2003 to **November** 2013

- Promoted to multiple Supervisor positions, started out as a part-time then fulltime employee in the warehouse, later promoted to Assistant Warehouse Supervisor, then Head Warehouse Supervisor, later spent time as a Media Supervisor, Customer Supervisor and Computers Sales Supervisor, in charge of a team of 10-15 people.
- Responsible for hiring and training employees, scheduling and running a sales floor and inventory/merchandising staff. Training employees to keep inventory standards accurate and product loss levels as low as possible. I also spent time doing stock counts and leading merchandising standards. Trained employees around sales product knowledge and sales strategies, also ran a sales floor.
