

Andrew J. Miller
6964 E Montana Place
Denver, Colorado 80224
(816) 853-3901

Objective: I would like to have a career that would challenge me and satisfy my will to succeed. I have a passion for doing high quality work and getting the job done right the first time. I get personal satisfaction by manufacturing/distributing fine quality products that I would buy if I were the consumer.

Special Skills:

I have managed and supervised up to an 8-member team and have exceptional leadership qualities. In the same respect, I can work well as a team member or individually. I am very organized, dependable, and hardworking. I like to maximize efficiency and exceed goals set for myself. I will accept any challenge and do whatever it takes to get the job done.

I have experience with a variety of vintage bindery equipment and was born into the yearbook industry. I have been doing bindery and finishing type work all my life and I have a passion for it. I have operated embossing presses and foil stamping presses, but have a good understanding of almost all bindery processes and could learn anything very quickly.

I am also very skilled at using and maintaining computers and computer software. I also fix and build computers in my spare time for friends and others that need help. I can navigate my way through almost any software with little to no instruction. I love the challenge of learning programs that I have never used before. I have an understanding of how computers work and what it takes to keep them working.

Software: Microsoft Windows, Mac OS, Quicken, QuickBooks, Microsoft Word, Microsoft Excel, Entourage, Outlook, Outlook Express, Adobe Photoshop, Illustrator, InDesign, Freehand, Corel, PhotoGrave, Acrobat, & Roland Versa Works. (Rip Software)

Education: 1986a 1989 Shawnee Mission Northwest High School *Graduated Class of '89*

1990-1993 Washburn University *Studied Music, Foreign Language, and Criminal Justice*

1993-1996 Johnson County Community College *Graphic Design and Commercial Art/ Advanced Adobe Illustrator/Photoshop Certification*

Work History:

2009 - 2011 Evolve Productions

I supervised Event Security Staff for music productions. Shift scheduling and liaison to the artists' management were some of my responsibilities. Staff training was also an important role of mine.

2011 Herff Jones Yearbooks

Received and gave locations to page bundles in the bindery mezzanine warehouse. Tracked locations, pulled orders, and sent bundles to production.

2011 Speed Pro Imaging of North Kansas City

Download, Setup, Layout, and Design of Large Print Format Jobs and Rip/Nesting/Output to Roland 54 and Roland 74 Large format Printers.

2012 - 2015 Fond Memories Engraving

Receive files and schedule orders for plaques, awards, and acrylics. I do all layout and design for this company. Also keeping the manager up to date on what materials I am going to be needing. This job requires an extreme eye for detail and the ability to work calmly under pressure. We always ask for a week turnaround time, but rarely ever have that luxury.

2015 - 2017 P.P.S., Inc. / Pine Decal

Perform lamination and hand application of adhesive and spacers on overlays and membrane switches. This job requires extreme eye for detail and high efficiency, because of the large runs of printing sheets. Inspection of printing processes and high attention to quality is also important in this position. I also run 2 Roland large format printers for the Pine Decal jobs an SPa 300 and an XCa 540. Color matching, layout of files/cut files and printing are primary duties of this job. I also maintain the printers, AGFA image Setter and humidifiers in the art department.

2017 - Oct 2018 Creative Printing Company

HP Indigo 5900 Digital Press Operator. Responsible for maintaining the machine, matching colors, choosing and tracking available paper and vinyl stocks and printing all jobs on the Indigo 5900. I am a Level 1 certified operator from HP in Alpharetta, GA currently completing Level 2.

October 2018 - February 2019 American Furniture Warehouse

I managed the operations, purchasing and production for the corporate Sign Shop that designed and printed all banners, signage, posters and vehicle graphics for 14 locations and over 300 fleet vehicles. Also created and recreated awards and

plaques for hundreds of awards received by AFW. Worked directly under CEO, Jake Jabs. Official title Lead Graphic Designer-Sign Developer.

February 2019 - Present C2 Imaging

Digital Printing Indigo and Onset S40i, Laminating, Guillotine Operator, Zund Machine Operation. Basically I do what needs to be done to assure the job gets to the customer on time.
