

ANDREW HORN

1524 Dexter St. Broomfield, CO 80020 · 815-263-0153
AndrewwHorn30@gmail.com

Obtain a position as a Solar Energy Installer to utilize building skills, previous installation experience, and energetic personality. I own tools used for the trade and have a desire to continue my education.

EXPERIENCE

MAY 2018 - OCTOBER 2018

SOLAR INSTALLER, RETHINK ELECTRIC INC.

Residential and commercial installations. Bending conduit, pulling wire, roof layout, rail and rail-less systems, installing inverters and optimizers, and installing EV chargers.

JULY 2008 - APRIL 2018

UNION IRONWORKER, LOCAL 444

Installed rebar, bridge girders, metal decking, sheeting on metal buildings, post-tensions cables and other related tasks. When foreman, read and understood blueprints, coordinated timetables with the other trades and lead a team of workers through projects.

OCTOBER 2007 - JANUARY 2008

FORKLIFT OPERATOR, SEARS WAREHOUSE

Responsible for scanning in all items and loading them properly into the trailers. Operated a variety of machines that required certifications to utilize.

EDUCATION

MAY 2018

ASSOCIATES IN ENGINEERING SCIENCES, KANKAKEE COMMUNITY COLLEGE

In addition to the required classes - electively I took Fundamentals of Electricity, National Electric Coding and Wiring, and Intro to Photovoltaics (All include hands on work). During my time at KCC I was Vice President of the Renewable energy club, sized and built a photovoltaic system.

MAY 2018

NABCEP PV ASSOCIATE, KANKAKEE COMMUNITY COLLEGE

With an emphasis on sizing and design of photovoltaic systems.

MAY 2003

DIPLOMA, HERSCHER HIGH SCHOOL
