Employment History;

Odd jobs on Takl/Handy, 03/2019-present - I work on a few apps like Takl and Handy to get small jobs for skill or unskilled labor. I also use delivery apps as well.

Balanced Property Solutions, Maintenance Technician 06/2018-01/2019 - Apartment maintenance technician. Made all repairs except for certain HVAC and plumbing repairs. Refinished numerous sets of cabinets, made roof repairs, appliance repairs, used own tools and judgement to determine how to resolve issues with little to no supervision. Made own material purchases and tracked purchases and each job. Made contacts and coordinated other contractors on property.

Precision Woodcraft Plus, Contractors Assistant, 06/2015-07/2018 - Variety of contracting work, varied day-to-day; construction, demolition, dry walling, painting, landscaping, HVAC, flooring. Just about anything that came up.

Kohls Seasonal position, 12/2016-07/2017 - merchandising, Bluebird, organizing, unloading, restocking, back stocking, logging inventory, customer service.

Menards, Carry Out, 04/2015-12/2015 - Customer service, loading vehicles, sanitation duties, flexible labor for all departments.

DraCool - USA, production technician, 06/2014-02/2015 - Quality assurance, dye checking plates for damages, gasketing plates, repairing plates via torches and glue, cleaning plates, documenting/counting plates.

Education;

Sinclair Community College - EMT Certification (expired)
