Experience

Front Desk

Front Range Pain Medicine

August 2017 to Current (3 Months)

I left my job of almost 10 years to care for my failing Father. He passed and I took the first job offer. I'm looking for a position closer to my home right down the street from your office.

Front Desk, Medical Records, Referrals, Switchboard, Closing....

Nephrology Clinic

May 2007 to December 2016 (9 Years, 6 Months)

Over my almost 10 years at this awesome office I got the opportunity to create there front desk, referral department and refine how the office functioned. I did medical records and other administrative duties. Posted patient payments and closed the cash drawer daily...

Education

Lamar Community College

Did not complete my 2 year degree. The birth of my daughter and location interrupted getting it., 1984
