Experience

Unload Associate

07/2015 — 08/2017

Lowe's

Greenville, SC

- Rotated goods in inventory by following "first in, first out" approach to keep shelves organized and well-stocked
- Examined incoming shipments to verify quantity and quality, returning unacceptable shipments to suppliers for refunds or replacement
- Operated forklift safely to lift or place merchandise in appropriate areas
- Coordinated shipping and receiving schedules with production to assist in traffic control on docks
- Bent, lifted, opened, and moved products weighing up to 100 pounds

Lead Machine Operator

09/2017 — Current

Siroflex Inc.

Greenville, SC

- Measured and inspected finished products for defects, and compared to work instructions for accuracy
- Completed minor machine maintenance, including oiling parts and cleaning components
- Oversaw machine operation to identify defects or malfunctions, making adjustments as necessary
- Set up and operated machines such as Myers to create high-quality adhesive products
- Adjusted controls to change machine settings, reducing errors of finished products
