Work Experience

Receiving Lead

Freshwater Systems - Mauldin, SC

August 2015 to May 2019

I started as a Picker/Packer, learning about Replenishments, Cycle Counts, Receiving, Waving, Batching & Releasing Orders, and Packaging & handling of Glass. I eventually became the Head Trainer and then Receiving Lead, because of my knowledge in all of these departments.

Order Picker

REVMAN INTERNATIONAL - Spartanburg, SC

August 2014 to August 2015

I started in Receiving, stacking boxes onto pallets and emptying out trailers. After 4 1/2 months of hard work, I progressed to working in Business to Customer (B2C). That is where I typically worked as a Order Picker.
