

## RESUME

NAME: James Curtis Squire  
19782 E. Villanova Place  
Aurora, CO 80013

Currently retired from the Aviation career field for 42 years. My experience has been both military and civilian aircraft maintenance. I was an instructor in the Air Force for 4 years training new airman in the field of aircraft structural repair. I served a total of six years active duty and 23 Years Air National Guard. After the Air Force I joined the Air National Guard both in Peoria Illinois and here in Colorado. I am retired from both the U.S. civil service and Air Force/Air National Guard.

I work well with people from all walks of life and enjoy giving what I can to make things better with whomever I work with. I would like the opportunity to expand my life after my retirement and share my experience with others.

I have no welding training or experience.
