Work Experience

Packer

Syncreon Automotive
August 2019 to Present

Responsible for cleaning packaging materials, loading items into containers, and weighing and labeling the items appropriately. I also perform final checks for defective items, ensure all working items make it to the loading area or inventory, and keep detailed records of materials and shipments.

Pharmacy Technician

Omnicare, a CVS Health Company - Spartanburg, SC
November 2016 to August 2019

Scanning medications and getting them ready for delivery in a timely manner. Working on a computer to make sure medications are correct and to the right facilities.

Pharmacy Technician Extern

St. Luke's - Spartanburg, SC
January 2016 to March 2016

As a Pharmacy Technician I help health care providers and patients by greeting them in person or by phone, answering questions and requests; referring inquires to the pharmacist. HIPAA trained. Accurately and efficiently prepared prescription orders. Maintained a safe and clean pharmacy. I provided quality customer service to patients and other healthcare providers.

Cashier

McDonald's - Spartanburg, SC
February 2008 to June 2014

Operated a cash register, kept records and refunded money. Produced 99% accuracy for all cash balancing, resulting in improved store sales. Took payments in exchange for sold items. Greeted customers as they arrived in the store.

Customer Service Representative

Best Buy - Spartanburg, SC
January 2000 to September 2007

Responded to approximately 25 calls per day from dissatisfied customers and successfully answered inquires and satisfied customer concerns, resulting in reduced cost against the company. Operated a cash register, kept records and refunded money.

Education

Certificate in Pharmacy Technician

Virginia College - Spartanburg, SC

2014 to 2016
