## Work Experience

---

### **Lot worker/ Loader**

U-Haul - Denver, CO

June 2018 to Present

1. Receive equipment and clean and properly inspect the equipment to make sure it's ready for the next customer.
2. Load and Unload Storage boxes onto or off trucks and/or trailers using a forklift.
3. Place Storage boxes in correct location and prepared for shipment for when the customer is ready for their storage box.

### **Warehouse Floater**

Colorado Petroleum - Denver, CO

August 2013 to October 2018

1. Operated the filler machine for the production line. Made sure it was in good quality condition before being sent out.
2. Stacked orders in the correct pattern that the employer wanted their product stacked for good customer satisfaction.
3. Loaded and unloaded products for the company and or for the customers.
4. Picked orders in a timely manner for the shipment to be shipped out on time. Used a forklift or Electric Pallet Jack "EPJ" to pull the orders required.

### **Receiving**

Home Depot - Golden, CO

June 2010 to November 2013

1. Unload and Load trucks with freight with forklifts.
2. Organized the freight by department onto carts and/or pallets. Then placed the carts and pallets in the correct department using carts, Electric Pallet Jack "EPJ", Pallet Jack and forklifts.
