Gregory's Foods, Inc.
Good Manufacturing Practices (G.M.P) Policy Test 1
For Corporate Management Group Staffing

Reviewed: 08/29/12
Issue Date: 08/29/12
Replaces: None

All temporary staffing employees are required to test their knowledge of the Gregory's Foods Inc. G.M.P. (Good Manufacturing Practices) Policies. A score of 70% is required to pass satisfactorily. Please read through the Gregory's Foods Inc. GMP Policy to understand what our policies describe and then take the test. If a score of 70% is not achieved, you will need to read through the policies again, and take a new test.
