Work Experience

Home Health Care Aide

Jeromes - Grand Rapids, MI

Have been doing home care for Jerome for over four years! My task include me doing laundry, grocery shopping, cleaning, emptying urine bucket several times a day and cooking and preparing meals on a daily. I make all of his bank runs, store runs, file paperwork ect really what ever is requested of me at the time. This job is one I keep while still working a full time factory job. This job is perfect for me because I love people, I'm respectful, friendly, out spoken, out going, driven and more of all genuine.
