### ***OBJECTIVE***

Obtain a position at a good company where I can maximize my management skills, quality assurance, work experience, and training experience.

### ***SUMMARY OF QUALIFICATIONS***

Highly motivated, hard working, A born leader; inspires others to work at their highest level. Able to learn and comprehend new systems and methods quickly. Ability to work well independently and as member of a team. Able to meet demanding time goals. Can be counted on to complete assignments without supervision

### ***WORK EXPERIENCE***

#### **shift coordinator** (4/2007 - 5/2013)

Ford motor company, Kansas City, MO

Did contract work for Ford Motor Company Claycomo plant.

Was responsible for coordinating

the daily cleanup of the paint shop. Cleaned paint booth, submersion tanks and filter houses. This included the use of hydro-blasting equipment and chemicals.

Also did all reports pertaining to safety, time sheets, schedules and work performed. Drove a fork lift to move hazardous chemicals and equipment to staging areas for clean up. Kept the plant running by ensuring that everything was clean and able to run properly. Handled hazardous chemicals.

#### **Line Leader** (2/2003 - 10/2006)

Unilever, Pontoon Beach, IL

Led an assembly line that was responsible for putting together displays for stores. Was responsible for the logistics of the line. This included inventorying the product prior to it going on the line. then assembling a crew according to the work to be done. Setting them in the right place for optimal performance.

Checking to make sure product and display came out right. At the end of the night, I had to do inventory and time sheets. Was also responsible for setting up lines for other line leaders to make sure their lines ran up to par. Delivered product to them when they needed it. provided assistance as was needed

**Fry Cook/Utility Worker/Assembler** (0/0 - 0/0)

Red Lobster , Alton , IL

Prepared all fried food and the assembled the plates. Occasionally, grilled the steaks and baked the bread. Also wahed dishes.

**Packer** (0/0 - 0/0)

Conagra , Alton , IL

Shoveled up overspills of flour. Cleaned trains. Packed 25, 50 and 100 lb bags of flour.
