Gainesville GA\* relocation to Denver in spring 2022 | (678)997-1125 | billiam.jordan25@gmai.com

## Objective

Organized Mechanical Drafting student finishing my degree in spring of 2022. Looking to leverage my experience and skills as a machinist to apply a better understanding of mechanical drafting and its applications.

## Education

### LANIER TECHNICAL COLLEGE | MAY 2018

- Precision Machining & Manufacturing Degree

### LANIER TECHNICAL COLLEGE | MAY 2022

- Mechanical Drafting Technology Degree

## Experience

### MACHINIST | RJ SPEED | 2013-2021

- Programed and operated a CNC Mill.
- Operated a Vacuum Former, Manual Mills, and lathes.
- Implemented lean manufacturing principles and practices.

### SIGN MAKER AND INSTALER | SIGNS BY TOMORROW | 2019-2020

- Produced and installed signs and banners with varying methods and tools.
- Worked with customers on finalizing installation and layout.
- Maintenance and creation of signs using machinery and software to cut vinyl and shape to customer specifications.

## Achievements

Competed in SkillsUSA winning a gold medal for Additive Manufacturing in 2017 and a gold medal for Automated Manufacturing in 2019.
