

Light Pack

A lot of men take erectile dysfunction medication just in order to get a harder erection. Most of them don't need a whole standard dosage. Also if You want to try erectile dysfunction drugs for the first time it's worth to start with a lower dosage in order to decrease the probability of side effects. **Light Pack** - is a perfect choice for such a purpose. It consists of Viagra 50mg + Cialis 10mg.

Active ingredient: [Sildenafil](#) Or [Tadalafil](#)

Disease(s):Erectile Dysfunction

Light Pack -mg
