### **EXPERIENCE:**

#### ***Production Operator***

***Broadcom Limited, Fort Collins CO***

***2014-2019***

Broadcom Limited manufactures semi-conductors. Four years of my employment was with the company when they were operating as Avago Technologies. During the fifth year of my employment the company changed names as result of a merge with Broadcom. I worked as an operator in the Photolithography department. As a production operator my duties required a strong knowledge of a variety of production equipment, teamwork, compliance with standards, a vigilant daily awareness in maintaining safety through a unified and steadfast approach to the output of high-quality product with my team.

#### ***Cleanroom Custodian***

***Able Building Maintenance at Avago Technologies, Fort Collins CO***

***2012 - 2014***

Performed assorted custodial duties in a particulate-controlled production area (cleanrooms for electronic assembly) including mopping and handling of hazardous waste materials.

#### ***Social Media Designer / Artist / Producer***

***13 Videos, Fort Collins CO***

***2006-current***

13 Videos is a freelance video company specializing in online promotional video design and marketing. I have worked with record label producers as well as independent musicians from around the globe in the design of promotional material for use in both broadcast and internet standards. In addition to promotional art, 13 Videos has supported numerous non-profit humanitarian and environmental awareness campaigns including Fort Collins' Off The Hook Arts and the Plant A Billion Trees Campaign by Nature Conservatory. All my social media work has been performed as a form of charity, i.e. no payment requested, a true labor of love!

#### ***Administrative Assistant***

***Colorado State Forest Service / The Center for Educational Outreach***

***Colorado State University, Fort Collins, CO***

***2002-2004***

I worked for two departments at CSU. At the State Office of the Colorado State Forest Service I served as liaison between 12 district offices state-wide and the general public. My primary duties included front desk reception and a variety of clerical and short-term assignments including staff training and mail routing. At the Center for Educational Outreach I performed a variety of administrative tasks with focus on travel expenses, student records, and inventory management.

#### ***Owner/ Manager***

***Video West, Colorado Springs, CO***

***1984-1993***

Started, owned, and operated a high traffic family-oriented video store. Performed all levels of business operations including management, public relations, purchasing, marketing, inventory control, administration and accounting. Developed the business to become the largest and most successful independently owned video store in the city for many years.
