Dear Hiring Manager,

Can your company utilize an individual who follows standardized procedures of care and who is a personable, hard-working, reliable, and motivated Healthcare Professional? If so, I am a strong candidate and wish to be considered for the C.N.A. position that you have available! My resume is attached for your review and consideration and I can begin work immediately.

I graduated from Career Essentials Learning Center becoming trained and receiving a Certificate as a C.N.A. I feel I am a qualified Healthcare professional because I am able to deliver compassionate care services such as Dressing and Undressing, Range of Motion Exercises, and Perineal Care and much more! Additionally, I am capable of learning new skills quickly, I am committed to providing efficient, quality, and professional care while thriving and excelling in a challenging work environment!

Please allow me the opportunity to meet with you personally to discuss my skills and abilities further. I thank you in advance for your time and consideration and I will look forward to hearing from you soon.

Sincerely,

MIKELLE STINSON
