Work History

Operator

05/2012 to 03/2014

Salco – 5955 Sheridan Blvd, Arvada, Co 80003

- Used CNC and manual equipment to perform rough and finishing machining.
- Worked directly from blueprints, patterns, sketches and specifications.
- Operated heavy duty lathes, boring machines and mills, planers, shapers and grinders.
- Studied blueprints, work instruction, sketches, drawings and manuals to determine dimensions and tolerances.
- Selected, aligned and secured holding fixtures, cutting tools, attachments, accessories and materials on CNC lathes
- Detected and reported malfunctions and out-of-tolerance machining.
- Assembled and set various boring, slotting and turning heads.
- Removed burrs on all machined parts.
- Routinely monitored the feed and speed of machines during the machining process.
- Checked and monitored parts.
- Made offsets and edit program as needed to ensure part quality.
- Touch off and replace tooling.

Machinist

02/2010 to 04/2012

Colorado Precision Machining – 5355 w 59th Ave, Arvada, Co 80003

- Operated heavy duty lathes, boring machines and mills, planers, shapers and grinders.
- Worked directly from blueprints, patterns, sketches and specifications.
- Adhered to all safety protocols and safe work practices to reduce likelihood of injury.
- Studied blueprints, work instruction, sketches, drawings and manuals to determine dimensions and tolerances.
- Detected and reported malfunctions and out-of-tolerance machining.
- Used CNC and manual equipment to perform rough and finishing machining.
- Removed burrs on all machined parts.

Assistant Sales Manager

03/2003 to 10/2010

Earnhardt Auto Center – Chandler, AZ

- Supervised a sales force of 8 sales associates.
- Hired sales representatives.
- Supported the sales team in writing proposals and closing contracts.
- Planned and directed staff training and performance evaluations.
- Trained sales team members.
